

Mrs. Touart's Speech Newsletter

Week of April 20, 2020

Hello Speech Parents!

I hope you all are staying well! If you are feeling ill, please do not come to school. The well-being of our community is our primary concern. If you have not picked up the packet your child's classroom teacher made for him/her due to lack of transportation, please call the school. Other arrangements can be made.

Also, all speech newsletters are available on Union Hall Elementary's website along with other resources.

I miss my speech students very much! Please feel free to text me pictures of fun things they are doing!

Love,

Mrs. Touart
